Dear Hiring Manager,

I am writing to express my enthusiasm for an open growth, marketing, partnerships, project manager, research, or strategy position onchain.

I'm a former AVP Beach Volleyball Professional for 18 years, Champion, Team USA Athlete, 20-year business consultant, former entrepreneur, and small business owner.

My mission in business is to build conscious, creative, and disruptive solutions that benefit and inspire humanity while helping companies grow.

My journey in athletics has instilled in me the core values of teamwork, discipline, goal setting, listening, and perseverance, which have been instrumental in shaping both my on-court and off-court success.

Moreover, my diverse 20-year expertise outside of sports in business consulting, creativity, design, digital solutions, entrepreneurship, marketing, project management, and strategy across industries including blockchain, gaming, technology, and startups has equipped me with a unique blend of skills perfectly suited for this dynamic landscape.

My unyielding passion for blockchain and disruptive technologies since 2012 fuels my eagerness to leverage my extensive network, innovative ideas, and entrepreneurial acumen to drive growth and success.

I am committed to contributing to advancing the blockchain industry through my strategic prowess, leadership capabilities, and unwavering enthusiasm. My dynamic background, and energetic, inspiring, and outgoing personality will enable me to bring immense value and drive significant innovation within the space.

I am excited to make a meaningful impact and am eager to discuss how my skills and passion align with your company's vision and mission. Thank you for considering my application.

I am looking forward to the opportunity to contribute to your success.
